# Ligands

## Terephthalic acid — ligands for UiO frameworks

Carboxylate linker for UiO-66 development

## Catalog information

| | |
|---|---|
| Material / type | Terephthalic acid — ligands for UiO frameworks |
| Application | Carboxylate linker for UiO-66 development |

## Reference specification

Published reference information, not JAFORD batch measurements or guaranteed acceptance limits. Analog specifications do not establish the formulation or performance of a different model.

| | |
|---|---|
| Donor group | Carboxylate |
| Linker type | Dicarboxylic acid |
