JAFORD · Technical profile

MOFs

ZIF-8

Porous-material and catalyst-precursor research

Catalog information

Material / type	ZIF-8
Application	Porous-material and catalyst-precursor research

Reference specification

Published reference information, not JAFORD batch measurements or guaranteed acceptance limits. Analog specifications do not establish the formulation or performance of a different model.

Metal node	Zinc
Linker	2-Methylimidazolate
Framework family	Zeolitic imidazolate framework
